Re: Amended Notice of Intention to Commence Small Mining Activities, Red Bone #3 Project, S/027/051, Millard County, Utah

Dear Mr. Cox:

On September 6, 1994, the Division received the supplemental information requested in our August 24, 1994 letter, regarding the emergency recovery plan for Natural Resource Holding Company's Red Bone #3 project. The project is located on BLM managed land in Section 1, T19S, R14W, SLBM, Millard County, Utah. Your agency's designated mineral lease number is UTU-070654. With this supplemental information the amended notice now satisfies the notice requirements of Rule R647-3 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/027/051 when forwarding additional information on this project to us.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
